Investigation Report

NARRATIVE

On Thursday September 24, 2015, Detective Mike Simmons (Detective on call) was notified of a medical emergency at the DC-1 facility involving an inmate that was unresponsive. I responded and upon arrival at DC-1 learned the unresponsive inmate was identified as Joseph Redmond. In initial investigation I first spoke with LPN Eva Whitmore where I learned Joseph Redmond had already been transported to Avoyelles Hospital. I then met Captain Dan Schaub in D dorm as well as several DC-1 command staff members where Joseph Redmond was housed and where the incident occurred. I learned inmate Joseph Redmond had vomited, aspirated and became unresponsive.

I then interviewed several inmates and staff members. Sgt. Clarity advised me he was called to the back in reference to an unresponsive inmate and when he got to the inmate assisted in getting the inmate outside the dorm and to the front for medical attention. Sgt. Clarity described the scene as an inmate lying in some "puke" with several other inmates around trying to arouse him. Sgt. Clarity further advised first aid and CPR was administered with an air mask and an attempt to clear his air way. According to Sgt. Clarity, Joseph Redmond was isolated due to intoxication a week before and had been under the influence of something on previous occasions.

Sgt. Clarity advised me he suspected some kind of synthetic drugs was consumed by Joseph Redmond citing the same symptoms (intoxication, locked up, unresponsive and vomiting) known to occur whenever any inmates ingest any synthetic drugs. Similar symptoms were also described by Sgt. Clarity suffered by another inmate earlier in the day that was hospitalized. That inmate was identified as Billy West. Another inmate later identified as Ryan Babineaux was currently in isolation for intoxication. Several other inmates were isolated throughout the day according to Sgt. Clarity for intoxication and not all at the same time.

I then interviewed Sgt. Joshua Dauzat on duty at the time. Sgt. Dauzat also advised they were notified of an unresponsive inmate and upon responding assisted in getting the inmate to the nurse's station. CPR was administered according to Sgt. Dauzat and also advised the air way of Joseph Redmond was obstructed. Sgt. Dauzat collaborated the account of Sgt. Clarity advising several other inmates throughout the day had been isolated for intoxication. In describing the scene at first contact with Joseph Redmond, Sgt. Dauzat advised Joseph was held up by another inmate and did not appear to have a pulse. An attempt to clear the air way was made and CPR was administered.

Sgt. Dauzat advised me he suspected intoxication citing the previous intoxication incidents of the day where several other inmates had been isolated for intoxication. Sgt. Dauzat advised he did not know what was wrong with Joseph Redmond but acknowledged previous problems with intoxication from synthetic drugs smuggled into the jail. Inmate Michael Lewis was one of the inmates identified by Sgt. Dauzat as one of the inmates isolated for intoxication and had been in the past.

I attempted to interview Ryan Babineaux an inmate in the DC-1 facility. Although Ryan Babineaux denied he was on any medication or had ingested any drugs or medication, Ryan Babineaux appeared very intoxicated and the interview was terminated.

Another inmate identified as Ian Herrera was interviewed by Detective Simmons the same date. Ian Herrera described events advising other inmates were assisting Joseph when he got there and assisted in getting Joseph out of the dorm to medical assistance. Ian Herrera further advised Joseph had vomited and suspected it was from smoking something and after assisting in getting Joseph outside the dorm walked off. When questioned as to any indication to him what caused Joseph's condition Ian only advised it appeared to him Joseph had smoked something but did not know what.

Another inmate identified as Lionel Ardoin was also interviewed in the initial investigation. Lionel Ardoin described the events with Joseph Redmond stating they had returned from chow and Joseph was next to him, started to pass out and vomited. Lionel Ardoin stated Joseph was not breathing, went to get help then returned to help Joseph and clear some food from in Joseph's mouth. Lionel Ardoin stated he had seen this before, knew something wasn't right and went to help Joseph. Lionel Ardoin admitted he recognized the symptoms of consuming "MoJo" because it had happened to him and had seen it in the past. In further describing the event, Lionel Ardoin advised that at first Joseph laughed, stopped, started vomiting in a slumped over position and at that time, he was told to get back by the guards which he did and at which time Joseph was brought outside the dorm on a mat. Lionel Ardoin admitted he had seen Joseph smoke some "Mo Jo" in the past.

Captain Herman Drummer (employee) was also interviewed. Prior to any questioning, Captain Drummer was informed of his administrative rights as well as his Miranda rights. Captain Drummer acknowledged he understood both forms, signed both rights forms and waiver and agreed o answer questions without an attorney present. It was disclosed Herman Drummer was on the shift and on duty the night before when it was learned some contraband, specifically "MoJo" was believed to have been smuggled into DC-1. In describing some of his duties, Captain Drummer advised he often made security checks around the premises of the Sheriff's Office facility including the mechanic shop, the DC-1 yard and Mental Health building behind DC-1. Herman Drummer denied he observed or noticed anything suspicious in his security checks the night before and admitted he had brought some food into the facility that he alone consumed. Herman Drummer also denied he had any personal problems with any inmates.

Herman Drummer advised another employee identified as Brian White had been under suspicion of bringing contraband into the facility and had been instructed in the past to check Brian when he would report for work. Herman Drummer admitted he too had been under suspicion of introducing contraband into the facility and stated that was cleared up. According to Herman Drummer, Brian White worked the shift the night before and only left one time to use the rest room in the jail lobby. Nothing suspicious was observed with Brian White the night before according to Herman Drummer. Later in the interview, Herman Drummer disclosed another employee identified as Larry Williams that worked with Brian White was also under suspicion of introducing contraband into the facility that morning and suggested that contraband contributed to the events of the day making the inmates ill.

The last interview of the day was that of DC-1 staff LPN Eva Whitmore. I inquired of Eva Whitmore of additional details of the incident not yet known when I briefly spoke with Eva earlier when I first arrived. In conferring with Eva Whitmore and ascertaining additional details, Eva advised Joseph Redmond was unresponsive with elevated and low respiration, low and elevated pulse and lathargic. I also learned the other nurses on duty at the time were Verna Gaspard, Debra Martin and Laura Grissom.

As I was completing the interviews at DC-1 several other inmates were subsequently transported to the hospital. Those other inmates transported to the hospital were identified as Joey Lachney, Jacob Moton, Cory Vellieux, Ryan Babineaux, Sareel Poindexter, Tommy Perkins, Channing Whiddon, Jarell Franks and Christopher Lang.

In continuing investigation, I interviewed several other inmates the following day on September 25, 2015. One inmate interviewed on Sept. 25 was identified as Sareel Poindexter. Prior to any questioning, Sareel Poindexter was advised of his Miranda rights, signed the rights form and waiver and agreed to answer questions without an attorney present. Sareel Poindexter was asked to describe the events of the previous evening regarding Joseph Redmond. Sareel Poindexter stated other inmates were encouraging Joseph to smoke a whole stick of "Mo Jo" which Joseph did and passed out. Sareel also stated he was close by and immediately after Joseph attempted to smoke the whole stick started slobbering and choking. When Joseph started vomiting and food was spilling from his mouth, according to Sareel Poindexter, everyone then realized Joseph was choking. I inquired of Sareel of who gave the stick of "Mo Jo" to Joseph Redmond. Sareel Poindexter advised it was a skinny B/M subject he only knew as "Lil". Sareel

Poindexter denied he knew where the "Mo Jo" came from but when questioned in general as to where "Mo Jo" came from in the jail, Sareel was somewhat evasive and non specific as to which inmates had the "Mo Jo" brought into the jail and who distributed the "Mo Jo", but told me it was actually brought into the jail by an officer. Sareel Poindexter identified Larry Williams as the officer (corrections employee) that actually brought the "Mo Jo" into the jail. According to Sareel Poindexter, the last time Larry Williams brought any "Mo Jo" into the jail was the day before when Larry came to work.

I also inquired of Sareel Poindexter of knowledge of Joseph Redmond smoking any "Mo Jo" in the past which Sareel advised he knew Joseph had been smoking "Mo Jo". Sareel Poindexter would not identify any of the other possible subjects introducing the "Mo Jo" into the jail. The interview was concluded with Sareel Poindexter clarifying some "Mo Jo" was brought into the jail by Larry Williams, distributed among two (2) people not disclosed who distributed to the rest of the inmates. Sareel Poindexter admitted he smoked some of the "Mo Jo" but could not say for sure the "Mo Jo" Joseph Redmond smoked was some of the "Mo Jo" he received since some "Mo Jo" was found by the jail staff.

Devinski Ardoin, another inmate incarcerated at the Avoyelles Parish Jail DC-1 was also interviewed Friday September 25, 2015. Devinski Ardoin was advised of his Miranda rights prior to any questioning, signed the rights form and waiver and agreed to answer questions without an attorney present. Devinski Ardoin stated inmate Jessie Jacobs had some bad "Mo Jo" brought into the jail and that it made Joseph Redmond sick. According to Devinski Ardoin, Jessie Jacobs has a pay pal account set up for the purchase of the "Mo Jo" and that he has Shalonda Doyle and Trina Ardoin drop off the "Mo Jo" behind the shop, referring to the mechanic shop, and sometimes by Media One building near the airport. When questioned as to how the "Mo Jo" was brought into the jail, Devinski Ardoin identified a jail employee only known as "Big Nate" as the one who allows for the "Mo Jo" to enter the facility. It was then reviewed and clarified with Devinski Ardoin, that Jessie Jacobs arranges for the purchase of the "Mo Jo" from inside the jail, then has the "Mo Jo" dropped off by Trina Ardoin and Shalonda Doyle and then arranged or allowed to be brought into the jail by "Big Nate". Devinski Ardoin advised he was aware inmates were supposed to receive some "Mo Jo" the night before Joseph became sick and further stated the "Mo Jo" was sometimes brought into the jail in some food. Devinski Ardoin admitted he smoked some of the "Mo Jo" himself that came into the jail through "Big Nate". In concluding, Devinski Ardoin reiterated he knew for sure it was "Big Nate" that was allowing the "Mo Jo" to enter the jail. That claim by Devinski Ardoin was later disputed by Nathan Cooper in an interview and CVSA exam which indicated truthful responses.

Jessie Jacobs was interviewed as well on September 25, 2015. Jessie Jacobs was advised of his Miranda rights prior to any questioning, signed the rights form and waiver and agreed to answer questions without an attorney present. Jessie Jacobs was completely evasive and deceptive in his responses to questions and never answered any question asked. The interview with Jessie Jacobs was subsequently terminated.

On Saturday September 26, 2015, I learned Joseph Redmond had died. An autopsy was arranged through the Coroner's Office for the following Tues. September 29, 2015. I drove to the South Louisiana Forensics facility in Lafayette to attend the autopsy but was informed upon arrival the autopsy had been performed the evening before. I did turn over to the South Louisiana Forensics facility an evidence bag containing a Styro foam cup containing what was believed to be some food vomited up by Joseph Redmond with a request for analysis to possible determine any possible illegal controlled dangerous substances present or any other evidence that may have contributed to the death of Joseph Redmond. Another evidence bag containing some towels used in administering first aid to Joseph Redmond containing what was believed to be food vomited up by Joseph Redmond was turned in as evidence.

While Detective Simmons attended the autopsy, Corrections employees Herman Drummer, Larry Williams and Nathan Cooper were interviewed by Detective Jeremiah Honea. A Voice Stress Analysis exam was performed on all three (3) employees as well. Herman Drummer denied smuggling or allowing any contraband into the jail and indicated deception on his CVSA exam. Larry Williams admitted he smuggled contraband into the jail and Nathan Cooper denied he had smuggled any contraband into the jail. Nathan Cooper's responses on the CVSA exam indicated truthful answers. Herman Drummer and Larry Williams were terminated as employees of the Sheriff's Office.

Detective Simmons received the reports pertaining to the CVSA exams on all three (3) subjects from Detective Jeremiah Honea and were included in the file.

Respectfully Submitted,

Det. M. Simmons

On the above date and time, I was in the booking office and I was called back to the nurse's station by security. Upon approaching the nurse's station I found the offender face down on a mat on the floor. Security stated he was brought here from dorm D. He was then transferred to a supine position. Upon my assessment, no apical pulse was found or evidence of breathing was noted. I instructed Deputy Josh Dauzat to get booking to call 911. I checked his airway and noticed what looked like food particles in his throat. I performed a finger sweep twice and was unable to clear his throat. The Heimlich maneuver was then performed with no results. Chest compressions were then started by myself. After two rounds of chest compressions I attempted breaths with an ambu bag. No air exchange was noted only his cheeks would inflate. Deputy Josh Dauzat then took over chest compression's and was assisted by an offender. After several rounds of chest compression's I attempted breaths again with the ambu bag with no movement of the chest noted, only the cheeks would inflate. We then transferred him to the sally port where CPR was continued. Acadian ambulance arrived shortly after and the offender was then transferred to a stretcher with assist x 4 and he was then transferred to the back of the ambulance. I then called in report on this offender's condition to Avoyelles Hospital ER.

Computer Voice Stress Analysis Report

Date: September 29, 2015

Case Number: 15-0928-06D

Subject: Herman Drummer

Examiner: Detective Jeremiah Honea

Predication:

This truth verification examination was predicated upon a request by Detective Michael Simmons and Captain John Augustine of the Avoyelles Parish Sheriff's Office.

Scope:

The scope of this truth verification examination was limited to the truthfulness of Herman Drummer, a Corrections Deputy of the Avoyelles Parish Sheriff's Office, as it pertained to questions asked about allegations that he brought controlled dangerous substances into Detention Center 1during the course of his employment.

Pretest Interview:

During the pretest interview, Herman Drummer denied bringing any controlled dangerous substances into Detention 1 on any date, and denied receiving any form of compensation to do so.

Examination:

The General Series Test was used in this examination, with a total of 15 questions being asked. The following relevant questions were interspersed with irrelevant and control questions:

1. "Did you allow any controlled substance to be brought into Detention Center 1 on Thursday, September 24th?" Drummer answered "No" and no deception was indicated.
2. "Did you allow any controlled substance to be brought into Detention Center 1 on any date?" Drummer answered "No", and **deception was indicated.**
3. "Did you receive any form of payment to allow a controlled substance into Detention Center 1?" Drummer answered "No", and **deception was indicated.**
4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Drummer answered "No", and no deception was indicated.
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Drummer answered "No", and no deception was indicated.

Following the initial examination, a second examination was conducted, utilizing the same test format as the initial examination and the same relevant questions. The results of the second examination were as follows:

1. Did you allow any controlled substance to be brought into Detention Center 1 on Thursday, September 24th?" Drummer answered "No" and no deception was indicated.
2. "Did you allow any controlled substance to be brought into Detention Center 1 on any date?" Drummer answered "No", and **deception was indicated.**
3. "Did you receive any form of payment to allow a controlled substance into Detention Center 1?" Drummer answered "No", and **deception was indicated.**
4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Drummer answered "No", and no deception was indicated.
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Drummer answered "No", and no deception was indicated.

Post-Test Interview:

During the post-test interview, Herman Drummer continued to deny that allowed a controlled substance to be brought into Detention Center 1 and denied that he received any form of payment. Drummer could not explain why both examinations showed indications of deception.

Conclusion:

Based on my training and experience, the results of this examination show that Herman Drummer was being deceptive when he answered "No" to questions about if he allowed a controlled substance to be brought into Detention Center 1 or whether he received any form of payment to allow a controlled substance into Detention Center 1.

Computer Voice Stress Analysis Report

Date: September 29, 2015

Case Number: 15-0928-06D

Subject: Larry Williams

Examiner: Detective Jeremiah Honea

Predication:

This truth verification examination was predicated upon a request by Detective Michael Simmons and Captain John Augustine of the Avoyelles Parish Sheriff's Office.

Scope:

The scope of this truth verification examination was limited to the truthfulness of Larry Williams, a Corrections Deputy of the Avoyelles Parish Sheriff's Office, as it pertained to questions asked about allegations that he brought controlled dangerous substances into Detention Center 1during the course of his employment.

Pretest Interview:

During the pretest interview, Larry Williams denied bringing any controlled dangerous substances into Detention 1 on any date, and denied receiving any form of compensation to do so.

Examination:

The General Series Test was used in this examination, with a total of 15 questions being asked. The following relevant questions were interspersed with irrelevant and control questions:

1. "Did you allow any controlled substance to be brought into Detention Center 1 on Thursday, September 24th?" Williams answered "No" and no deception was indicated.
2. "Did you allow any controlled substance to be brought into Detention Center 1 on any date?" Williams answered "No", and no deception was indicated.
3. "Have you ever received any form of payment to allow a controlled substance into Detention Center 1?" Williams answered "No", and **deception was indicated.**
4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Williams answered "No", and **deception was indicated.**
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Williams answered "No", and no deception was indicated.

Following the initial examination, a second examination was conducted, utilizing the same test format as the initial examination and the same relevant questions. The results of the second examination were as follows:

1. "Did you allow any controlled substance to be brought into Detention Center 1 on Thursday, September 24th?" Williams answered "No" and **deception was indicated.**
2. "Did you allow any controlled substance to be brought into Detention Center 1 on any date?" Williams answered "No", and **deception was indicated.**
3. "Have you ever received any form of payment to allow a controlled substance into Detention Center 1?" Williams answered "No", and **deception was indicated.**
4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Williams answered "No", and **deception was indicated.**
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Williams answered "No", and **deception was indicated.**

Post-Test Interview:

During the post-test interview, Larry Williams admitted that he brought a bag containing what he believed to be synthetic marijuana into Detention Center 1, after having received the substance from a black male at the Shell Station in Cottonport on Tuesday, September 22nd at approximately 9:30 p.m. Williams said he was contacted earlier on that date by cell phone and arrangements were made to meet at the Shell Station. Williams said this phone call was arranged by an inmate in D-Dorm of Detention Center 1 nick-named "Sookie". Williams identified inmate Sareel Poindexter, B/M, DOB 6/27/1975, as being "Sookie". Williams said he delivered the synthetic marijuana to Poindexter on Wednesday, September 23rd when he came to work.

Conclusion:

Based on my training and experience, the results of this examination show that Larry Williams was being deceptive when he indicated that he did not bring any controlled substance into Detention Center 1. These results are confirmed by Williams' later admission that he did bring a controlled substance into Detention Center 1 on September 23rd, 2015.

4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Cooper answered "No", and no deception was indicated.
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Cooper answered "No", and no deception was indicated.

Following the initial examination, a second examination was conducted, utilizing the same test format as the initial examination and the same relevant questions. The results of the second examination were as follows:

1. "Did you allow any controlled substance to be brought into Detention Center 1 on Thursday, September 24th?" Cooper answered "No" and no deception was indicated.
2. "Did you allow any controlled substance to be brought into Detention Center 1 on any date?" Cooper answered "No", and no deception was indicated.
3. "Did you receive any form of payment to allow a controlled substance into Detention Center 1?" Cooper answered "No", and no deception was indicated.
4. "Did you bring any controlled substance into Detention Center 1 on Thursday, September 24th?" Cooper answered "No", and no deception was indicated.
5. "Did you bring any controlled substance into Detention Center 1 on any date?" Cooper answered "No", and no deception was indicated.

Conclusion:

Based on my training and experience, the results of this examination show that Nathan Cooper was being truthful to questions asked on this examination.

I am maintaining a copy of this report on file as well as copies of the questions and examination charts.

Respectfully Submitted,

Detective Jeremiah R. Honea
