# What to include and exclude in this data collection

## INCLUDE-

- ✓ Confinement facilities usually administered by a local law enforcement agency, intended for adults but sometimes holding juveniles.
- ✓ All jails and city/county correctional centers that hold inmates beyond arraignment. Report data on all inmates, including those held in separate holding or lockup areas within your facilities.
- ✓ Special jail facilities (e.g., medical/treatment/release centers, halfway houses, and work farms).
- ✓ Temporary holding or lockup facilities if they are part of your combined function.
- ✓ Inmates held for other jurisdictions, including federal authorities, state prison authorities, and other local jail jurisdictions.

- X Facilities that are exclusively used as temporary holding or lockup facilities, where inmates are generally held for less than 72 hours and not held beyond arraignment.
- X Privately operated jails and facilities operated by two or more jurisdictions (i.e., multi-jurisdictional facilities). These jails will be contacted directly for this data collection.

### **BURDEN STATEMENT**

Under the Paperwork Reduction Act, we cannot ask you to respond to a collection of information unless it displays a currently valid OMB control number. The burden of this collection is estimated to average 15 minutes per response, including reviewing instructions, searching existing data sources, gathering necessary data, and completing and reviewing this form. Send comments regarding this burden estimate or any aspect of this survey, including suggestions for reducing this burden, to the Director, Bureau of Justice Statistics, 810 Seventh Street, NW, Washington, DC 20531. Do not send your completed form to this address.
