Ms. Brown,

Good morning, I am Assistant Warden Luke Gaspard, I have been forwarded this request we have only had one in-custody death, which occurred on 07/22/2021 at 11:17 at Cabrini Hospital in Alexandria LA. The Inmates name was Patrick Lockner and his date of birth was 09/01/1953. Any further medical information would need a medical release form from the family and the hospital. I hope this help you and if you have any further questions please feel free to contact me.

Thank you.
