Subject: Public Records Request

To Whom It May Concern:

Good morning. I am looking to obtain the Public Records for the Lafourche Parish Juvenile Justice Facility for the years 2020-present. Please find the attached Public Records Request pursuant to the Louisiana Public Records Act § 44:1 et seq. The letter details the type of records and time periods that I am requesting from your facility.

Thank you in advance for your assistance in this matter.

Sincerely,
