RE: PUBLIC RECORDS REQUEST

Dear Mr. XXXXX:

We have received your request for records pertaining to the following email you sent.

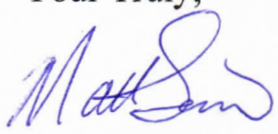

1. All the parish pre-trial detainees are currently being housed in other parishes because LaSalle only operates the former jail for ICE? All Jackson Parish Pre-trail inmates are being housed in other parish jails at this time. Jackson Parish Correctional Center is only housing ICE detainees at this time.
2. Are you able to confirm whether any parish detainees were housed in the jail at any point when it was being run by Lasalle? Yes. Or was the switch to an ICE facility simultaneous with the handoff to Lasalle? No If the switch was *not* simultaneous, my request requires confirmation of whether there were any deaths of parish detainees during that year, regardless of who was operating the facility. JPSO remains the lawful custodian of records. Jackson Parish Correctional Center started housing ICE detainees in 2019, none of these deaths occurred during that time.
3. For the 2014 death, my request requires production of documents containing:
    a. Name: Edwin Futrell
    b. Sex: Male
    c. Race: White
    d. Ethnicity: Non-Hispanic
    e. Date of Birth: 5/8/1972
    f. Trial status: DOC
    g. Booking date: 3/16/2009
    h. Date of death: January 20, 2014

i. Specific cause of death, including whether it was caused by a pre-existing medical condition: Natural Causes
j. Incident location: Jackson Parish Correctional Center

4. For the 2017 death, I require the same information as I do for the 2014 death.
   a. Name: Wesley Odom
   b. Sex: Male
   c. Race: White
   d. Ethnicity: Non-Hispanic
   e. Date of Birth: 3/3/1971
   f. Trial status : Pre-Trail
   g. Booking date: 12/20/2016
   h. Date of death: February 1, 2017
   i. Specific cause of death, including whether it was caused by a pre-existing medical condition: Suicide
   j. Incident location: Jackson Parish Correctional Center

If you should have any questions, please do not hesitate to give us a call.

Your Truly,
