

Jail Characteristics

- 171 bed capacity
- Majority of inmates are male and African American
- Pre-trial detainees and pre-sentencing
- Sheriff: Willy Martin
- Warden: Capt. Anthony Joseph

Sheriff Martin and Warden Edward Scott monitor activities in the parish jail.

St. James Parish Prison

Evidence of transparency

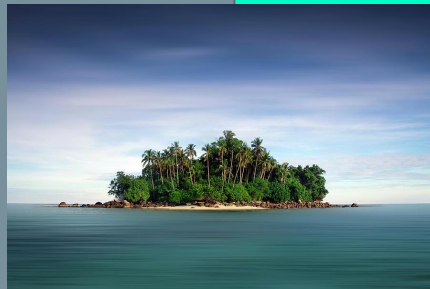

- New technology
- “Band-it Prisoner Transport and Courtroom Control System.”
- COVID response
- Prison work program

St. James Parish Detention Center Assistant Warden Edward Scott (left)

Evidence of oversight

- The sheriffs office is like a lonely island
- The parish does not have any influence over jail operations

Corrections Division Sergeant Andrika Singleton conducts an electronic scanning.
