Ms. Lasserre,

Thank you for responding so quickly. Can you send digital versions of the forms requested, even if they are just reports of 0 deaths?

Best,

Ms. Lasserre,

Good morning. I received your contact information from the front desk at the Lafourche Parish Juvenile Justice Facility. I have attached a Public Records Request for Bureau of Justice Statistics (BJS) Information relating to in-custody deaths of individuals held in the Lafourche Parish Juvenile Justice Facility. **Please see the attached PDF document. The Louisiana Public Records statute states that you have five business days to provide access to the records sought.** Please reach out if you have any questions. I look forward to your response
