Narrative

On October 8, 2020 at approximately 1843 hours, Inmate Colin Simien was sent out to Lake Charles Memorial Hospital with Deputies Kelvin Kirkwood and Christopher Clark to be cleared mentally. Nurse Amber Guillory decided that he needed to be evaluated for an altered mental state for not being able to answer any questions due to him crying and rocking back and forth.

At approximately 2232 hours, Deputies Kirkwood and Clark returned to CCC Intake with Simien. Once back in Intake, Deputy Brennan Hoover asked Simien if he was suicidal at which time he did not respond. Simien was asked two more times if he was suicidal and he did not answer.

At approximately 2240 hours, Deputies Austen McMichael, Jordan Laughlin and Hoover placed Inmate Colin Simien on suicide watch in holding cell 1 due to him not answering the suicide questions. All oranges and underwear were taken and a green suicide blanket and smock were given to him. All Deputies exited the cell without incident.

Narrative

On Wednesday November 11, 2020 at approximately 1914 hours I Deputy Brent Tradewell brought inmate Simien, Colin housed in H-05 to take a shower. When Simien exited his cell Simien asked for a new orange uniform (top and bottom) to change into. I observed that Simien was also carrying his shampoo, towel and his boxers all folded in his hands. At approximately 1915 I put Simien into the men's bathroom alone and locked the door after he entered. As Simien entered the restroom I told Simien to knock on the door when he was finished. At approximately 1940 I knocked on the door to check on Simien if he was done with the shower. After not getting a response from Simien I unlocked the door and opened it slightly and asked again. When I did not get a response again I looked inside the restroom and asked him again in which he did not respond. Unable to see Simien from the door I walked in to the restroom to check on him and that is when I found Simien had hung himself with a sheet. The sheet was tied around his neck and around the top bar of the shower stall. When I found Simien his cloths were still folded outside of the shower stall. The only clothing Simien was wearing were white socks, white boxers, and his orange uniform bottom. As soon as I found Simien I went and called for help. As soon as I called for help Deputy Henry Gatewood came in and assisted lifting Simien to take pressure off of his neck. As Gatewood and I held up simian Deputy Jeffery Spears untied the knot from around the bar of the shower. As soon as Simien was on the floor Simien was unresponsive and was not breathing. At this point Gatewood started CPR. At approximately 1942 Sgt. Jeremy Guillory was given the AED and at which time the pads were placed on Simien and CPR continued per the AED automated instructions. I Deputy Tradewell along with other deputies continued CPR until Acadian Ambulance (EMT) arrived and took over. Deputies continued CPR as instructed by Acadian. A pulse was found and at approximately 2031 Spears and Deputy Austin Arnold went with Acadian while they transported Simien to Memorial Hospital for medical treatment. Deputy Meghan Boudreaux started the crime scene log at 2000 hours and ended it at 2223 hours. Violent Crimes Detectives and Crime Scene Investigations processed the scene. The shower log and the crime scene log were scanned into the doctuments.
When Simien was found unresponsive all command staff along with the on call violent crimes detectives were contacted.
