I spoke with several inmates; over all their morale and quality of life deemed to be good. Inmates that were interviewed during the walk-through voiced some concerned about having contact visits. Each inmates stated that they are aware on how to make sick and process of how to file a grievance.

RECOMMENDATION:

Warden Williams and her staff consistently operates smoothly and efficiently, while remaining in compliance with the Basic Jail Guidelines. Based on my walk-through inspection of the facility and review of BJG files, it is my recommendation that Claiborne Parish Correctional Center remains on an annual monitoring.
