Investigator Narrative

Decedent was a inmate at Raymond Laborde Detention Center and prison nurse stated he had pill call after he gave the decedent his medication he stood up he fell back and struck his head onto concrete floor. immediately afterwards he became apneic and pulseless. CPR was initiated immediately shortly after EMS arrived they then administered ACLS protocol for approximately 30 min. or until exhausted all resuscitative measures. Prior to prison nurse making contacted me he had already tagged and bagged the decedent's body with body tag #5884727. Prison nurse also informed had recent had a prostatectomy secondary to CA of prostate

I made arrangements with parish forensics to have their transportation to pick up decedents up body to have a autopsy which will be done 7/09/2024
