R.S. 44:19 (E)(3)

(3) A coroner's report is a document that includes the name of the decedent, address, sex, date of birth, age, and race of the decedent, date and time of death, place of death, date and time of autopsy, when applicable, and the cause and manner of death, including any scientifically contributing factors. The coroner's report is a public record, and the coroner or his designee shall release this report to the news media, any other person, the Department of Children and Family Services, when appropriate, the spouse, parent, sibling, child, grandchild, niece, nephew, aunt, or uncle of the decedent, or to the person with the right to control and authorize the interment of the decedent as provided in R.S. 8:655(A). However, nothing in this Paragraph shall authorize the release of the information set forth in this Paragraph prior to notification of the next of kin of the deceased unless no next of kin can be determined or, despite reasonable efforts by the coroner's office, no next of kin can be located. The provisions of this Paragraph shall not require the release of information in non-coroner cases, nor shall it prohibit the coroner from releasing information pursuant to R.S. 13:5713 or Children's Code Article 609 to the Department of Children and Family Services.
