Sandbags Available for East Feliciana Families and Businesses.

With the impending storm, our inmates have been busy filling sandbags the last few days. They are available to the citizens of EFP at no charge. They are located at the north end of the Parish Prison parking lot at 12306 Haynes Street, Clinton. We have a good supply of them already to go and the materials to make more if need be. Remember to stay safe during the next few days.
