Narrative

On 3/2/25 at approximately 0359 hours I, Deputy Ryan Fontenot along with Deputy Richard Thornton were in the central tower when we were notified by Sgt. Hunter Stidham that an inmate in B-5-3 was having a medical emergency. I along with Deputy Thornton made our way down to B-5-3.

As we made entry into the cell I noticed an inmate later identified as Naquin, Timothy B-5-3 to be sitting on the edge of his bunk with his head hanging down. I observed Naquin was sweating and having trouble breathing. I then asked Naquin what his issue was. Naquin stated that he was having trouble breathing an that he was hot and that his head hurt. I then asked his cell mate Singleton, Timothy B-5-3 how long has he been having trouble breathing and sweating. Singleton stated that he has been having trouble breathing and coughing for about 2 weeks. I then noticed Naquin slumped over and started coughing loudly. I then lifted Naquins upper torso and asked him if he was okay. I then noticed that Naquin started to turn blue and started having labored breathing. I along with Deputy Thornton laid Naquin on to his left side. Once on his side I tried to get Naquin to respond by calling his name but he did not respond. I notified Deputy Deborah Britnell whom was in the tower to notify Lt. Jeremy Guillory down to the area. I then told inmates Singleton and Cater, Christopher B-5-3 whom where in the cell to go down stairs to the table. Naquin continued to have labored breathing up until Lt. Guillory made entry into the cell with Deputy Kevin Vazquez-Rivera. Deputy Joshua Glover, Luci Moore, and Sgt. Courtney Coleman following after.

Lt. Guillory started trying to get a response from Naquin in which Naquin did not respond. Lt. Guillory then checked for a carotid pulse and did not feel one. Lt. Guillory then made the decision to immediately start CPR on Naquin due to him being unresponsive and not having a carotid pulse. Lt. Guillory then told me to go and retrieve the AED. Deputy Amelia Armstrong then arrived to help. Deputies conducted CPR in rotation up until Acadian Ambulance arrived and assisted with life saving measures. Deputies Trinity Candelaria arrived to assisst and Deputies continued with CPR until he was pronounced dead at 0508 hours. A crime scene log was started and ID along with command staff and Coroner Office were notified.
