Initial Report By : BADER, LOY On Date Of :07/30/2025

On July 29, 2025, at approx. 1921 hours, dispatch advised Cpl. Keith Doyle of a man trying to break into apartment [redacted]

Capt. Loy Bader responded to back up Cpl. Doyle. As Capt. Bader arrived on scene, he observed Cpl. Doyle placing handcuffs on a suspect identified as Clifton Boudreaux (DOB: 03/10/1988). Capt. Bader advised dispatch that Clifton was being detained. Capt. Bader observed Clifton break free from Cpl. Doyle and spin around swinging and kicking striking Cpl. Doyle in the face area. Capt. Bader observed Clifton going backwards to get away from Cpl. Doyle. Capt. Bader deployed his taser to the back of Clifton to keep Clifton from escaping and to stop resisting. Capt. Bader tried getting Clifton back on the ground and Clifton continued to resist. Cpl. Doyle assisted in getting Clifton to the ground to handcuff him and Clifton continued to resist by strong arming and not placing his hands behind his back. Capt. Bader was able to place Clifton's right arm behind his back as Clifton continued to resist. Cpl. Doyle was able to place Clifton's left arm behind his back as Clifton resisted. Cpl. Doyle placed Clifton in handcuffs.

As Capt. Bader and Cpl. Doyle assisted Clifton to his feet, Clifton continued to resist by trying to pull away. As Capt. Bader and Cpl. Doyle was placing Clifton into unit #597 used his legs to keep from being put into unit.

Capt. Bader observed the victim, to state that Clifton was trving to get into her apartment by pulling on the doorknob and beating on the door. stated she told Clifton to leave, and he did not. stated she observed Clifton to start throwing her items that were outside such as a chair. stated Clifton picked up a brick and acted like he was going to throw in through the apartment window.

Capt. Bader observed a wooden stool just outside the apartment that was broken and a brick in the grass just outside the apartment that was not in a place it should be.

Cpl. Doyle transported Clifton to DeQuincy city jail for booking.

Capt. Bader assisted Cpl. Doyle in bringing Clifton into jail. Capt. Bader observed Clifton to be compliant in going inside. Capt. Bader observed Clifton to start resisting again as Clifton went through the jail threshold by pulling away and falling to the floor. Capt. Bader assisted Clifton to the jail holding bench where Cpl. Doyle was able to place the bench ankle cuff on.

Several minutes later, Capt. Bader was heading outside the jail and observed Clifton lying on the floor (which is not uncommon for arrestees to do) and moving his legs and arms. Several minutes after that, Capt. Bader observed Clifton still lying on the floor. Capt. Bader reached down to check on Clifton and observed he was unresponsive. Capt. Bader checked for pulse which he did not feel a pulse, advised Cpl. Doyle to have dispatch call for Acadian Ambulance. Capt. Bader commenced CPR.

Acadian Ambulance arrived on scene. Capt. Bader observed Clifton to get a pulse back. Acadian transported Clifton to West CalCam hospital.

End of report.

Supplemental Report By : DOYLE, KEITH On Date Of :07/31/2025

On July 29, 2025, Cpl Keith Doyle was dispatched to a disturbance at 1921hrs to [redacted] St.

Upon arrival Cpl. Doyle observed the unknown suspect, later identified as Clifton Boudreaux, in front of apartments # and # Cpl. Doyle told Boudreaux to come to him. Boudreaux fell to the ground and Cpl. Doyle told Boudreaux to stay down and put his hands behind his back. Cpl. Doyle was placing Boudreaux in hand cuffs when he flipped over swinging at Cpl. Doyle striking him on the left cheek with his right fist and started kicking to get away from Cpl. Doyle. He then jumped up and started running backwards. Cpt. Loy Bader arrived on scene and deployed his taser to keep Boudreaux from running off. Cpl. Doyle and Cpt. Bader escorted Boudreaux to the ground because he was still resisting. Cpl. Doyle placed him in handcuffs and placed him in the rear seat of unit #597.

Cpl. Doyle and Cpt. Bader spoke with victim stated that a young, shirtless, man was trying to open her front door. stated she told him he was at the wrong house and to leave. He began to tear up her chairs and plants in front of my door. He was throwing her chairs and other items towards the parking lot. Then he picked up a brick and threatened to bust out her front window of my apartment and he threw the brick towards the parking lot.

Once at the Police Department, Boudreaux was still resisting, Cpl. Doyle and Cpt. Bader had to make him sit to put the leg cuff on him. Cpl. Doyle and Cpt. Bader went out back to the sally port and Boudreaux was on the floor. He was moving his legs and arms at that time. Upon returning, Boudreaux was still on the floor, but not moving. Cpt. Bader flipped Boudreaux over and he was turning purple. Cpt Bader began CPR and Cpl. Doyle advised dispatch to call Acadian. Boudreaux was transported to Cal-cam hospital.
